

Aurora

3,084 square feet, 36' x 50' with 6' x 20' offset and 24' x 36' garage

With enough space for family gatherings or entertaining, you'll make full use of the sprawling back deck and wrap-around porch. Cozy-up to the fireplace in the great room or spend quiet evenings in your master suite when you choose the Aurora.

With two additional bedrooms, den, and an attached garage, this 3,084-square-foot home is both beautiful and great for family fun.
