

Riverside

2,194 square feet, 26' x 66' with 6' x 24' offset

Easy one-floor living is yours for the asking with the 2,194-square-foot Riverside design. With four bedrooms, there's room for a larger family. Plus, there is an extra 12' x 24' loft area upstairs overlooking the airy family room. Amble out to the back deck from either the dining room or master bedroom.
