

# Chesterland

4,104 square feet, 32' x 64' with 10' x 26' and 8' x 10' offsets

*One look at the large wrap-around deck and you'll fall in love with the Chesterland. With a great room and ample dining area, kitchen, and master suite, you'll enjoy the spaciousness this home offers. Yet, you'll find cozy, private areas tucked into the house, such as a bright and cheery morning room, a cozy study, spa room, and radio nook. The Chesterland offers you 4,104 square feet of gorgeous living, with three baths, and three bedrooms in addition to the master suite.*
