

2,286 square feet, 32' x 50'

Imagine having a “catwalk” in your home! The unique Montville design ties an upstairs bedroom and loft area together via a catwalk hall that is open to the family room and dining area below. A large master bedroom and bath includes an oversized walk-in closet on the first floor. With 2,286 square feet – the Montville also offers a combination laundry/mudroom, and two additional bedrooms and baths.
