

Ravenna

1,858 square feet, 28' x 44' with 24' x 30' garage

Perfect as a rustic log cabin getaway or family home – the 1,858-square-foot Ravenna is a charmer. The second floor is your private master suite, with loft, walk-in closet, and bath – plus a large “bonus room” for storage, reading, hobbies, or the computer – whatever suits you best. A fireplace warms the living and dining areas, and you can relax on the front porch or backyard deck.
