

Summit

1,216 square feet, 24' x 30'

Imagine your own private chalet! Whether you have a site at the seashore, deep in the woods, or on a suburban lot, you'll love to come home to the Summit. A stunning, expansive deck and large loft overlooking the great room complete the picture. This 1,216-square-foot home offers two bedrooms and one bath – and lots of class!
