

West Bay

2,278 square feet, 30' x 46'

Call the West Bay “home” and the first thing you’ll want to enjoy is the gorgeous front porch! This 2,278-square-foot beauty has a traditional, classic look and is perfect for families of any size. The spacious foyer leads to the open family room (complete with fireplace) and adjacent dining area – both which open up to the deep back porch. Three bedrooms, loft, and mudroom add to the package.
